---

The Nor Cal SAAC *Fall Classic 2010* Open Track at Thunderhill Raceway Park in Willows, California is a 2-day driving event for ALL makes and models of cars except open-wheel cars. Nor Cal SAAC members and non-members are welcome. Join us for a FUN weekend of track driving and social activities.

## Open Track

Experience the thrill of driving your high-performance car on the challenging 3.0-mile, 15-turn Thunderhill circuit in a fun, low-key environment. We provide an on-site ambulance, tow truck, and full staff of USARM corner workers. Passing is permitted only in designated areas of the track, with rules more liberal in the fastest groups. Driver conduct is closely monitored by our track stewards to ensure an enjoyable time for everyone. Driving Instructors are available by request at no charge.

This event will be conducted under normal Nor Cal SAAC Open Track Rules and procedures. There will be three run groups of 30-40 cars each: Yellow (Novice), Red (Intermediate), Green (Advanced). Drivers must be at least 16 years old and have a valid driver's license. Passengers 18 years or older are allowed in some sessions.
