

Cobra Owners Club of America, Inc.

WILLOW SPRINGS #79
OCTOBER 29 & 30, 2011

October is almost here and that means it's time to prepare our favorite Ford powered performance cars and come out to Willow Springs and have some fun with the Cobra Owners Club. It is still only \$200.00 for the whole weekend.

The Cobra Owners Club open track event is open to all years of Ford performance cars. We will accept early cars first, and then fill available spots with late model cars (1980 and later). So, all you late model owners who want to run should get your entries in right away.

REMEMBER, this is not a race and there are no awards. We go to Willow Springs to have a fun, safe, weekend with our cars.

You do not need a racecar to participate; most of the entries are street driven vehicles. The whole idea of this event is to offer an opportunity to drive our high-performance cars as they were intended to be driven.

Cars will be teched at the track, but make sure your car is ready before you come out...good brakes and tires, no leaks, battery fastened down, wheels on tight, two throttle return springs, no loose junk in the trunk or back seat. Requirements are: COMMON SENSE, SNELL 2000 HELMET, seat belts (lap belts are okay), fire extinguisher – which must be mounted with a METAL bracket.

We will be staying at the Oxford Suites. The hotel is at the 14 Freeway & Avenue K. Breakfast is included in the rate. Mention the Cobra Owners Club when you make your reservation. There is a Marie Callender's next door to the Oxford Suites when you can have dinner Saturday evening.
